Summary of Legislation Considered by the Joint Standing Committees August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

CARRIED OVER

| BOWLES | ONTP | MIN | |

LD 1625 proposed to increase state reimbursement to municipalities for property taxes foregone due to the homestead property tax exemption to 100%.

Committee Amendment "A" (S-306) proposed to fund the increase in state reimbursement for the homestead exemption by a transfer of funds that are projected to be available in the Maine Budget Stabilization Fund and statewide deappropriations. The Commissioner of Administrative and Financial Services would be directed to present legislation to implement the deappropriations. If none were presented, the Governor would be directed to make curtailments consistent with the deappropriations.

This bill, and its adopted amendment, were carried over on the Special Appropriations Table by S.P. 640 to the next special or regular session of the 122nd Legislature.

LD 1634 proposed to change the rate of the real estate transfer tax imposed on the buyer and seller of real property and the manner of imposition. The buyer of property would be charged a flat tax of \$2 per \$1,000 of value of the property being purchased. The seller of the property would be charged a tax rate dependent on the value of the property being sold, starting at \$2 per \$1,000 of value of the property for property valued at less than \$300,000, increased for every \$100,000 in property value by \$1 per \$1,000 of the value of the property being sold. A maximum tax rate of 1% of the value of the property being sold would be reached for property valued at \$1,000,000 or more. The revenue from the tax would be credited to the so-called circuit breaker reserve to fund the Maine Residents Property Tax Program except for 10%, which is retained by the county collecting the tax.
