Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Marine Resources

Resolve 2005, chapter 58 was passed as an emergency measure effective May 26, 2005.

LD 1635

An Act To Authorize the Assessment and Collection of Harbor Fees

DIED BETWEEN HOUSES

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DUPLESSIE BRENNAN	RE-REF	

LD 1635 proposed to authorize harbor commissions and other entities that regulate harbors to establish and collect a fee of no more than 3¢ per ton per vessel calculated on the gross tonnage of an oceangoing vessel or no more than 25¢ per passenger for a passenger ship on a domestic or international voyage. The bill proposed to exempt from the fee vessels weighing less than 500 gross tons, vessels providing daily service to islands that are part of the State and whose service is funded in whole or in part by the State, military vessels, historic vessels owned or operated by tax-exempt organizations, public vessels, certain coastal or international ferries and vessels seeking harbors of refuge. The bill proposed to restrict the use of revenue from the fees to pay for the administration and services provided by the harbor regulatory body and harbor master, the purchase or maintenance of harbor safety equipment, harbor emergency response capability and harbor security.

The Joint Standing Committee on Marine Resources voted to re-refer this bill to the Joint Standing Committee on Taxation.
