Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Joint Standing Committee on Health and Human Services

law requires review in 2006 of the proposals in the bill that were not enacted by the joint standing committee of the Legislature having jurisdiction over health and human services matters. The law requires that the rule-making provisions of the Maine Administrative Procedure Act apply to rulemaking by the Governor's Office of Health Policy and Finance. The law directs that legislative oversight of Dirigo Health be governed by the joint rules and requires consideration of ensuring thorough and ongoing oversight, normal budgetary procedures and controls and consistency with the subject matter jurisdiction of the joint standing committees.
