Summary of Legislation Considered by the Joint Standing Committees
August 2005

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing select committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. A subject index for each committee is included immediately before the bill summaries for that committee, and a numerical index by LD number is included at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Private and Special Law 2005, chapter 23 changes the cost-sharing mechanism established by the Essential Programs and Services Funding Act and incorporates transition provisions for certain school districts whose cost-sharing formulas may result in adverse impacts for member municipalities within the school districts. The law accomplishes the following.

1. It provides an adjustment to the state share of the total allocation for school administrative districts and community school districts that have member municipalities with local contributions that are below the maximum mill rate expectation but that are adversely affected as a result of the cost-sharing mechanism established pursuant to the Maine Revised Statutes, Title 20-A, section 15688.
2. It provides transition provisions to the current cost-sharing formula of School Administrative District No. 71 for fiscal year 2005-06 to fiscal year 2008-09 and subsequent fiscal years.
3. It provides transition provisions to the cost-sharing formula of the Manchester, Mount Vernon, Readfield and Wayne Community School District for fiscal year 2005-06 to fiscal year 2008-09.
4. It provides a one-year extension to allow the Department of Education to continue to assist School Administrative District No. 74 in developing a transition plan to phase in the new method of determining member municipalities' local cost of education in accordance with Title 20-A, section 15688 by fiscal year 2008-09.
5. It authorizes the Commissioner of Education to adjust the allocation of general purpose aid to local schools for School Administrative District No. 67 in fiscal year 2005-06 should the state valuation for the Town of Lincoln be reduced due to a reduction in value of the Eastern Fine Paper plant.

Private and Special Law 2005, chapter 23 was enacted as an emergency measure effective June 7, 2005.
