### 122nd Maine Legislature Second Regular Session

#### Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla/billsumm.htm](http://www.state.me.us/legis/opla/billsumm.htm)).

### *Enacted law summary*

Public Law 2005, chapter 497 makes the following changes to the laws relating to charitable solicitations:

1. It eliminates the requirement that professional fund-raising counsel carry a \$25,000 surety bond;
2. It eliminates the requirement that businesses donating less than \$10,000 annually to charitable organizations become registered as commercial co-venturers, which applies the same exemption limit to commercial co-venturers that currently applies to charitable organizations;
3. It amends the definition of "contribution" by adding an exception for money or property received from an organization. This produces the effect of exempting from the registration requirement individuals who contract with charitable organizations to provide grant-writing services for the purpose of obtaining money or property from organizations;
4. It corrects an inconsistency between the definition of "charitable organization" and the description of entities subject to the registration requirements applicable to charitable organizations; and
5. It deletes a reference to the financial report filing fee, which is no longer charged to charitable organizations that receive more than \$30,000 annually in gross contributions.
