### 122nd Maine Legislature Second Regular Session

#### Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla/billsumm.htm](http://www.state.me.us/legis/opla/billsumm.htm)).

## Joint Standing Committee on Judiciary

C, differs from the first two in that a convicted person need not establish by clear and convincing evidence that only the perpetrator of the crime or crimes for which the person was convicted can be the source of the evidence. Because the convicted person is not required to make such a showing, the standard required under new paragraph C is made up of the five prerequisites for obtaining a new trial based on newly discovered evidence set forth in Maine case law and consistently applied by the Law Court. The convicted person must show all five prerequisites by clear and convincing evidence. In the first and second standards listed as paragraphs A and B, because the convicted person is required to make such a showing, the five prerequisites for obtaining a new trial based on newly discovered evidence are truncated. Under the first standard, new paragraph A, the person must also establish by clear and convincing evidence that the DNA test results, when considered with all the other admitted evidence, old and new, show that the person is actually innocent of the crime or crimes for which the person was convicted. Under the second standard, new paragraph B, the person need not show actual innocence, but instead must establish by clear and convincing evidence that the DNA test results, when considered with all the other admitted evidence, old and new, would make it probable that a different verdict would result upon a new trial. This second standard is like that currently found in Title 15, section 2138, subsection 8, paragraph B.

Chapter 659 adds a definition for “all the other evidence in the case, old and new,” as used in new paragraphs A and B and new paragraph C, subparagraph (1). Further, although not expressly stated in paragraphs A and B and paragraph C, subparagraph (1), it is intended that the court, as in any hearing for a new trial based on newly discovered evidence, must determine both weight and credibility to be attached to the newly discovered evidence. It is intended that the Maine Rules of Evidence apply at any hearing conducted under the subsection.

Chapter 659 takes effect September 1, 2006.
