122nd Maine Legislature Second Regular Session

Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Joint Standing Committee on Insurance and Financial Services

The amendment changes the composition of the board of directors of the high-risk pool by removing the legislative members and adding 2 additional members who are member insurers.

The amendment repeals the community rating law for small group health plans effective January 1, 2009 and enacts in its place provisions governing the rating of small group health plans based on a model act from the National Association of Insurance Commissioners.

The amendment requires the Department of Professional and Financial Regulation, Bureau of Insurance to conduct a study of the State's rate and form filing laws and make recommendations for changes to reduce the costs and resources expended by health insurance carriers seeking regulatory approval of new health insurance products.

The amendment also added an appropriations and allocations section to the bill. Committee Amendment "A" was adopted in the House, but not in the Senate. In the Senate, LD 1945 was ruled not properly before the body.

LD 1990

An Act To Create the Insurance Fraud Division within the Bureau of Insurance **DIED BETWEEN BODIES**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM MAJ	H-924
	ONTP MIN	

LD 1990 proposed to establish the Insurance Fraud Division within the Department of Professional and Financial Regulation, Bureau of Insurance to investigate acts of insurance fraud. The bill proposed to retain existing statutory provisions requiring insurers to include fraud warnings on insurance applications and claim forms, to file antifraud plans and to file annual reports with the Superintendent of Insurance. The bill proposed to require persons in the business of insurance with knowledge or suspicion of fraudulent insurance acts to report those to the Superintendent of Insurance.

Committee Amendment "A (H-924) is the majority report of the committee and replaced the bill. The amendment proposed to establish the Insurance Fraud Division within the Department of Professional and Financial Regulation, Bureau of Insurance. The amendment requires insurers with knowledge or suspicion of fraudulent insurance acts to report those activities to the Bureau of Insurance. The amendment provides for the confidentiality of records relating to insurance fraud investigations in a manner similar to the provision of confidentiality under current state law for investigative and intelligence information in the possession of other law enforcement entities. The amendment does permit the Insurance Fraud Division to share investigatory information with certain national and international agencies. The amendment also extends the immunity provision in current law to certain communications between insurers with respect to fraudulent insurance acts.

The amendment also added an appropriations and allocations section to the bill. Committee Amendment "A" was adopted in the Senate, but failed to be adopted in the House.
