122nd Maine Legislature Second Regular Session

Summary of Legislation Before The Joint Standing Committees

Enclosed please find a summary of all bills, resolves, joint study orders, joint resolutions and Constitutional resolutions that were considered by the joint standing committees of the Maine Legislature this past session. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills considered by the committees. It is arranged alphabetically by committee name and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla/billsumm.htm).

Joint Standing Committee on Insurance and Financial Services

The law clarifies that the definition of personal information subject to the notice requirements of the law after a security breach does not apply to information maintained in 3rd-party claims databases of property and casualty insurance companies.

The law extends regulatory and enforcement authority to the Attorney General's office with respect to persons not under the jurisdiction of the regulatory agencies within the Department of Professional and Financial Regulation. The law also requires the Department of Professional and Financial Regulation and the Attorney General to undertake reasonable efforts to inform persons of their responsibilities under this legislation.

Public Law 2005, chapter 583 takes effect January 31, 2007.

LD 2021 was submitted by the Joint Standing Committee on Insurance and Financial Services pursuant to Resolve 2005, chapter 100. The bill proposed to clarify the Legislature's intent regarding the uninsured motorist statute in response to the Law Court's decision in Butterfield v. Norfolk and Dedham Mutual Fire Insurance Company, 2004 ME 124, Maine Supreme Judicial Court, September 30, 2004. The bill proposed to clarify that an insurance policy may limit uninsured motorist coverage to the recovery of damages by an insured person under the policy for bodily injury, sickness or disease, including death, sustained by that insured person.

Committee Amendment "A" (H-870) is the minority report of the committee. The amendment proposed to clarify that an insurance policy must allow for recovery under uninsured motorist coverage for the death of a parent or child of the insured to the extent a person may be legally entitled to recover damages for wrongful death. Committee Amendment "A" was not adopted.
