An Act To Clarify Election Laws Concerning Election Clerks' Qualifications

**PUBLIC 422
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARSTOW	OTP-AM	H-568 H-587 PATRICK

This bill relaxes the residency requirement for the appointment of election clerks, permitting a municipal clerk to appoint election clerks who are residents of the county of the municipality if insufficient numbers of municipal residents are available.

Committee Amendment "A" (H-568)

This amendment requires a municipal clerk to notify the chairs of the local and state party committees of the lack of available election clerks necessary to provide a balance among the major political parties. After providing this notice the clerk may appoint election clerks from within the county. This amendment also requires municipal officers to consider persons nominated from the county and state party committees when appointing election clerks. Finally, this amendment requires the municipal clerk to complete a form provided by the Secretary of State, when a registered voter changes party enrollment status in order to be available to serve as an election clerk to maintain a balance between the major political parties and that election clerk participates in the counting of ballots. That form must be filed with tabulation results sent to the Secretary of State and attached to the sorted group of ballots counted by an election clerk who conducted the count on those ballots. This amendment also requires the Secretary of State to report how many forms regarding election clerks who changed party enrollment status were submitted.

House Amendment "A" (H-587)

This amendment removes the mandate preamble, which was included in the committee amendment in error.

Enacted Law Summary

Public Law 2007, chapter 422 requires a municipal clerk to notify the chairs of the local and state party committees of the lack of available election clerks necessary to provide a balance among the major political parties. After providing this notice the clerk may appoint election clerks from within the county. It also requires municipal officers to consider persons nominated from the county and state party committees when appointing election clerks. Chapter XXX requires the municipal clerk to complete a form provided by the Secretary of State, when a registered voter changes party enrollment status in order to be available to serve as an election clerk to maintain a balance between the major political parties and that election clerk participates in the counting of ballots. That form must be filed with tabulation results sent to the Secretary of State and attached to the sorted group of ballots counted by an election clerk who conducted the count on those ballots. This law also requires the Secretary of State to report how many forms regarding election clerks who changed party enrollment status were submitted.
