This bill changes the sentence for gross sexual assault against a victim who is under 12 years of age to a period of imprisonment of 25 years, none of which may be suspended. If the defendant had previously been convicted and sentenced for committing gross sexual assault, rape or gross sexual misconduct against a person who is under 12 years of age, the court must impose a sentence of life imprisonment, none of which may be suspended.

Committee Amendment "A" (H-542)

This amendment is one of 2 minority reports of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment makes technical changes to conform to drafting standards. This amendment was not adopted.

Committee Amendment "B" (H-543)

This amendment is one of 2 minority reports of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment strikes the provision in the bill that changes the sentence for gross sexual assault against a victim who is under 12 years of age to a period of imprisonment of 25 years. Instead, the amendment specifies that if the State pleads and proves that a gross sexual assault was committed against a person who had not yet attained 12 years of age and that the defendant had previously been convicted and sentenced for committing gross sexual assault, formerly denominated as gross sexual misconduct, or rape, or conduct substantially similar to one of these crimes in another jurisdiction against a person who had not yet attained 12 years of age, the court shall impose a term of imprisonment for any term of years that is not less than 25. This amendment was not adopted.
