123RD LEGISLATURE

FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* summarizes all bills and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 123rd Maine Legislature, which was in session from December 6, 2006 to June 21, 2007.

The *Digest* is arranged alphabetically by committee, and within each committee by LD number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. The appendices include a summary of relevant session statistics, an index of all bills by LD number and an index of enacted laws by law type and chapter number.

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

MARRACHE	OTP-AM	S-158

This bill requires the Legislature to provide funding to the Department of Health and Human Services, Maine Immunization Program for purchasing and distributing the human papillomavirus vaccine to all girls 11 and 12 years of age. It requires the Maine Immunization Program to report to the joint standing committee of the Legislature having jurisdiction over health and human services matters on the status of program funding and vaccination rates, including specific information on the human papillomavirus vaccine, by January 30, 2008 and again by January 30, 2010. It requires the Maine Breast and Cervical Health Program to develop and distribute public education materials on cervical cancer prevention and the human papillomavirus vaccine and to translate the materials into other languages when necessary. It requires the Maine Center for Disease Control and Prevention (CDC) to coordinate with the Department of Education and the University of Maine System to develop educational materials for schools and universities. It requires the Maine CDC to develop an educational pamphlet for 5th grade students and a voluntary speakers group for health education and other classes. It requires the Maine CDC to collaborate with the Maine Medical Association to develop and expand continuing medical education opportunities related to cervical cancer. It requires the Department of Health and Human Services to determine the potential costs and benefits of obtaining a federal Medicaid family planning waiver to
