limited right to sue the Dirigo Health Self-administered Plan. The law specifically waives the State's defense of immunity under the Maine Tort Claims Act.

8. The law requires that the self-administered plan meet the requirements of the Maine Insurance Code relating to the privacy of insurance information, unfair discrimination against victims of domestic abuse and unfair discrimination on the basis of genetic information or genetic testing.

Public Law 2007, chapter 447 also permits licensed insurance producers with health authority to sell the Dirigo Health Program insurance products if the producer meets certain training requirements. Additionally, the law exempts producers from the appointment requirement solely for purposes of selling the Dirigo Health Program insurance products and holds a carrier underwriting Dirigo Health Program coverage harmless from liability for any actions of such producers.

LD 439 is a concept draft pursuant to Joint Rule 208. This bill proposes to make the following changes to the laws governing health insurance and the Dirigo Health program:

1. It would require that, rather than contracting out for health insurance services, Dirigo Health offer health insurance provided by a private health insurance company that would be modeled on Maine Employers' Mutual Insurance Company;
2. It would require that premiums for health insurance under Dirigo Health be set at 5% of the individual's income;
3. It would repeal guaranteed issue requirements;
4. It would create a high-risk pool;
5. It would establish a schedule of required copayments for health care services;
6. It would repeal all state-mandated health insurance coverage;
7. It would require the Executive Director of Dirigo Health to maximize use of Medicaid funds;
8. It would ensure portability of health insurance policies; and
9. It would provide that payments for health insurance be tax deductible.
