Joint Standing Committee on Insurance and Financial Services

LD 456 requires financial institutions to send a registered letter to the last known address of an account holder of an inactive account before disposing of the money in the account pursuant to the Uniform Unclaimed Property Act. If the financial institution does not send a registered letter, the institution is liable to the account holder for the value of the account when the money was disposed.

Committee Amendment "A" (H-40)

This amendment is the minority report of the committee and replaces the bill. The amendment requires financial institutions to send written notice by certified mail with return receipt requested to account holders of unclaimed accounts and wait at least 30 days after sending the notice before disposing of the money in the account according to the Uniform Unclaimed Property Act. The amendment does not require a notice to be sent if the financial institution has a reasonable belief that the last known address of the account holder is not accurate. The amendment also permits the financial institution to recoup the costs associated with mailing a written notice from the money in the unclaimed account.

Committee Amendment "A" was not adopted.
