Enacted Law Summary

Public Law 2007, chapter 163 does the following:

1. It makes a technical change by changing the name of the "archery-only" deer hunting season to the "regular archery-only" deer hunting season for the purpose of clarity;

2. It clarifies what licenses and permits are included in the super pack license;

3. It clarifies that a license or permit contained in the super pack license is not valid unless the holder of the super pack license has met the eligibility requirements for that specific license or permit; however, a person may be issued a super pack license without meeting the specific requirements of an individual license or permit contained in the super pack license; and

4. It allows the holder of a super pack license to take up to 5 deer annually: one deer during either the regular open firearm season or the regular archery-only season or the special muzzle-loading season; one deer under an antlerless deer permit; and 3 more deer during the special archery season in accordance with the Maine Revised Statutes, Title 12, section 11402, subsection 4.
