**LD 123 Resolve, To Support the Inclusion of Labor Education at Maine Public
Institutions of Higher Education**

RESOLVE 210

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TUTTLE	OTP-AM MAJ ONTP MIN	H-908 H-964 SUTHERLAND

The purpose of the bill, a concept draft pursuant to Joint Rule 208, is to establish a center within the University of Maine System that would offer labor education and policy development for students and community organizations.

Committee Amendment "C" (H-908)

This amendment, which is the majority report of the Joint Standing Committee on Education, removes the appropriation from the bill, changes the bill to a resolve and provides that the Legislature supports the endorsement of the Chancellor of the University of Maine System of the concept of the establishment of a labor center at the University of Southern Maine. This center would draw on knowledge from a number of different fields of study and offer labor education and policy development, including, but not limited to, courses in the history and role of working people and the labor movement and training and policy workshops on topics such as workers' compensation, unemployment insurance and labor law, to students and community organizations. The amendment also provides that the Legislature endorses the recommendation of the faculty of the University of Southern Maine that a labor center be established at the University of Southern Maine using existing budgeted resources of the University of Maine System.

House Amendment "B" (H-964)

This amendment strikes the provisions of Committee Amendment "C" that support the establishment of a labor center and instead expresses the support of the Legislature for the inclusion of labor education at Maine public institutions of higher education.

Enacted Law Summary

Resolve 2007, chapter 210 provides that the Legislature supports the inclusion of labor education as part of a comprehensive course offering at all Maine public institutions of higher education.
