LD 751 An Act To Modernize Maine's Accountancy Laws

PUBLIC 384

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RECTOR COURTNEY	OTP-AM	H-547

This bill makes changes to the laws governing the practice of certified public accountants by allowing a certified public accountant licensed in another jurisdiction to provide professional services in the State without a permit if the accountant receives certification from the National Association of State Boards of Accountancy, National Qualification Appraisal Service that the accountant has substantially equivalent qualifications to qualifications required by the State.

The bill also subjects the out-of-state accountant to the Board of Accountancy's rules and jurisdiction and requires the Board of Accountancy to adjust the fees required for a permit to practice accountancy yearly so that revenues from the fees neither increase or decrease. Finally, this bill removes limitations on the Board of Accountancy's quorum requirements.

Committee Amendment "A" (H-547)

This amendment makes changes to the substantial equivalency requirements proposed by the bill for determining when accountants and firms licensed in other jurisdictions may practice in Maine without a license to require that the final determination of substantial equivalency is made by the Department of Professional and Financial Regulation, Board of Accountancy. It also removes from the bill proposed changes to the Board of Accountancy and removes the statutory fee cap language as well as the language allowing the Department of Professional and Financial Regulation to adjust fees, as this department already has the authority to adjust fees for each program as necessary.

Enacted Law Summary

Public Law 2007, chapter 384 makes changes to the laws governing the practice of certified public accountants by allowing certified public accountants and firms licensed in other jurisdictions to provide professional services in the State without a permit, provided that the accountants qualifications are deemed to be substantially equivalent to qualifications required by the State, as determined by the Department of Professional and Financial Regulation, Board of Accountancy. The law also subjects the out-of-state licensee to the Board of Accountancy's rules and jurisdiction.
