BROMLEY		

This bill allows the Secretary of State to reinstate the license of a person convicted of more than one violation of the operating under the influence laws if the person installs an approved ignition interlock device. An ignition interlock device is a device that connects a breath analyzer to a motor vehicle's ignition system. The analyzer monitors the concentration of alcohol in the breath of any person who attempts to start the motor vehicle by using the ignition system. The device prevents the vehicle from starting unless the person provides a breath sample with a concentration of alcohol that is below a preset level.

This bill was carried over by joint order, H.P. 1369.

**LD 864 An Act To Protect Local Police Departments**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ANNIS	ONTP	

This bill requires each law enforcement officer, upon completion of the officer's basic training requirement, to contract to perform at least one year of employment with the municipality, county, State or other nonfederal employer that first hired the law enforcement officer.

RINES BARTLETT	OTP	

Section 1 of the bill clarifies that a person who violates laws applicable to dance facilities commits a Class E crime. The penalty language in this provision is archaic; when incarceration is specified as a sentencing alternative, the offense should be classified as a crime.
