LD 904 An Act To Make Technical and Supervisory Amendments to the Banking Laws

PUBLIC 79

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SULLIVAN	OTP-AM	S-34

LD 904 makes a number of technical and supervisory changes to the banking laws.

1. It permits the Superintendent of Financial Institutions to designate more than one deputy superintendent. This authority would not add to the Bureau of Financial Institutions' headcount or change existing job classifications. It allows the superintendent to designate deputy superintendents with specific areas of expertise to assist in carrying out the mission of the bureau.
2. It requires that troubled financial institutions obtain approval from the superintendent before adding or replacing a member of the board of directors or governing body or employing or changing the duties of a senior executive officer.
3. It moves the requirement in the section of law regarding holding companies to the section of law regarding anticompetitive and unfair practices for the Superintendent of Financial Institution's approval for any financial institution, financial institution holding company, foreign bank or foreign bank holding company to acquire control of all or part of a financial institution if the acquiring institution would hold more than 30% of total deposits in the State.
4. It requires notice to the Superintendent of Financial Institutions when a state-chartered financial institution seeks to convert to a federally chartered financial institution.
5. It requires notice to the Superintendent of Financial Institutions when a state-chartered financial institution seeks to merge, consolidate with or acquire a federally chartered financial institution. It removes the requirement that the superintendent approve the transaction if the transaction is approved by a federal regulator and the resulting institution is federally chartered.
6. It clarifies that proxy voting on credit union mergers is permissible.
7. It requires notice to the Superintendent of Financial Institutions when a state-chartered credit union seeks to convert to a federally chartered credit union.
8. It provides that the Superintendent of Financial Institutions need only approve acquisitions of interests in Maine financial institutions and acquisitions by Maine financial institutions and Maine holding companies of other financial institutions. The changes eliminate requirements to approve acquisitions made by federally chartered
