LD 865 An Act To Increase the Number of Disabled Veterans That Are Eligible **ADJOURNMENT** for Complimentary Lifetime Licenses and To Create the Search and **Rescue Fund**

Sponsor(s)	Committee Report	Amendments Adopted
MILLETT	OTP-AM	H-540

LD 865 provides veterans or enlisted members of the United States Armed Forces, the Reserves of the United States Armed Forces or the National Guard who have served or are currently serving in Iraq or Afghanistan or other location associated with the global war on terrorism discounts on hunting and fishing licenses. It also establishes a Search and Rescue Fund and provides for a General Fund allocation into that fund in an amount that offsets the Department of Inland Fisheries and Wildlife's loss of revenue due to the discounted hunting and fishing licenses.

Committee Amendment "A" (H-540)

This committee amendment changes the title of the bill to "An Act to Increase the Number of Disabled Veterans That are Eligible for Complimentary Lifetime Licenses and to Create the Search and Rescue Fund." It replaces the provision of the bill proposing to provide discounted license fees for certain veterans with language that increases the number of disabled veterans that are eligible to receive complimentary lifetime licenses and permits to hunt, fish, trap and guide by reducing the level of disability needed to qualify from 100% for noncombat military and 70% for combat-related disability to 50% or more disability for all veterans. It also clarifies the definition of "veteran" and how the loss of revenues to the Department of Inland Fisheries and Wildlife for providing these complimentary licenses to be reimbursed from the General Fund. This committee amendment changes the allocation of the laws establishing the Search and Rescue Fund in order to avoid creating a conflict.
