An Act To Provide Information to the Public Regarding Lobbying and Lobbyists

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WEBSTER	ONTP	

This bill directs the Commission on Governmental Ethics and Election Practices to include in the lobbyist docket and the disclosure website, a photograph of the lobbyist and a professional biography including contact information, relevant past professional work, specific issues or specialty and list of companies the lobbyist represents.

This bill also requires a lobbyist, whenever lobbying, to wear a name tag designed by the commission. It requires the commission to design a tag with a distinctive background color and typeface that will allow one to immediately identify someone as a lobbyist.

The bill also requires a lobbyist to disclose his or her name and the company the lobbyist works for and the client the lobbyist represents whenever the lobbyist approaches a legislator.

The proposals made by this bill will be considered with LD 1393 which was carried over to the Second Regular Session of the 123rd Legislature.

LD 1058

An Act To Require the Reporting of Executive Branch Lobbying

PUBLIC 373

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CANAVAN MITCHELL	OTP-AM	H-367

Current law provides that "lobbying" means directly communicating with any official of the legislature for the purpose of influencing legislative action. It also includes communication directly with the Governor for the purpose of influencing the approval or veto of a legislative action. The definition provides that these types of communication are lobbying if the person receives compensation or reimbursement for expenditures. The definition includes time spent to prepare and submit oral or written proposals, testimony or analyses concerning a legislative action.

This bill expands the definition by adding communication with a state agency commissioner, a commissioner's designee, or constitutional officer. It further expands the definition with regard to time spent preparing and submitting oral or written proposals, testimony or analyses to include that submitted to an official within the executive branch, a state agency commissioner, commissioner's designee or constitutional officer.

Finally, the bill specifies what lobbying does not include. That provision states that lobbying does not include time spent by any person providing information to or participating in a subcommittee, stakeholder group, task force or other work group regarding a legislative action by the appointment or at the request of the Governor, a Legislator or legislative committee, a constitutional officer, a state agency, commissioner or the chair of a state board or commission as long as the person's regular employment does not otherwise include lobbying.

Committee Amendment "A" (H-367)

This amendment replaces the bill. Like the bill, this amendment includes lobbying of the executive branch in the definition of "lobbying;" however, in order to accomplish this, the amendment establishes a definition for the term "official in the executive branch." The amendment also includes lobbying of constitutional officers in the definition of lobbying. The amendment requires that lobbying of officials in the executive branch be reported separately from lobbying of officials in the legislative branch when lobbyists submit reports to the Commission on Governmental
