Joint Standing Committee on Utilities and Energy

LD 1148 An Act To Protect Electric Ratepayers

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRAUTIGAM PERRY J	ONTP	

This bill imposes an excise tax on the capacity of electricity producers with more than 20 megawatts of capacity. Revenue from the tax is distributed by the Public Utilities Commission to individual electricity ratepayers based on the amount paid for the generation of electricity by those ratepayers.

LD 1151 An Act To Streamline the Review of Minor Tariff Filings of Consumer-owned Water Utilities

PUBLIC 127

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FITTS	OTP-AM	H-119

This bill seeks to exempt a rate, toll or charge by a consumer-owned water utility for a service other than the provision of water that will not increase the revenues of a consumer-owned water utility by more than 1% from statutory requirement that rate changes of consumer-owned water utilities be subject to suspension, investigation, hearing and rate substitution by the Public Utilities Commission.

Committee Amendment "A" (H-119)

This amendment replaces the bill. The amendment clarifies the exception to the laws that require that rate changes of consumer-owned water utilities be subject to suspension, investigation, hearing or rate substitution by the Public Utilities Commission that is proposed in the bill. The exception is limited to changes in rates or charges for services other than the provision of water, as in the bill. The amendment specifies that the cumulative effect of such changes over a 12-month period may not exceed 1% of total annual revenue. The amendment also places the exception in a more relevant section of the law.

Enacted Law Summary

Public Law 2007, chapter 127 provides an exception to the laws that require that rate changes of consumer-owned water utilities be subject to suspension, investigation, hearing or rate substitution by the Public Utilities Commission. The exception is limited to changes in rates or charges for services other than the provision of water and the cumulative effect of such changes over a 12-month period may not exceed 1% of total annual revenue.

LD 1153 An Act To Allow Affordable Housing Discretionary Water and Sewer Fee Waivers

PUBLIC 174

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CHASE	OTP-AM MAJ ONTP MIN	H-211

Current law requires that rates charged by water, sewer and sanitary districts are uniform within the territory of the district whenever the cost of service is uniform. This bill provides an exception to the uniform rate requirement for affordable housing. Specifically, the bill grants water, sewer and sanitary districts the authority to reduce or waive the rates charged to affordable housing properties within the districts. The bill also requires that the reduction in the rates is credited directly to the associated customer account.
