LD 1223 An Act To Provide a Uniform Retirement Plan for Corrections Officers and Mental Health Workers

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
		S-286

Contingent upon the full actuarial costs having been accumulated in a reserve of the Maine State Retirement System, this bill adds mental health workers to the 1998 Special Plan for certain Maine State Retirement System members and requires that service retirement benefits for corrections and mental health workers included in the 1998 Special Plan be computed on the basis of all the member's creditable service, regardless of when that service was earned. The bill provides for funding the full actuarial costs of new corrections and mental health worker retirement benefits by creating a reserve and transferring funds to it that would otherwise qualify for transfer to the Retirement Allowance Fund from unappropriated surplus of the General Fund. Transfers continue until the accumulation of funds to cover the full actuarial costs, including normal costs for 6 years, is complete. Under the bill, retirement service credit may not be given and increased benefits may not be paid until the full actuarial costs of the liability for the increased value of that service has been funded.

Committee Amendment "A" (S-286)
