**LD 1214    An Act To Improve the Competitiveness of Maine's Boat Building Industry**

**CARRIED OVER**

DAMON		

Current law provides an exemption from the sales tax to a nonresident who purchases a watercraft or materials for the repair or alteration of a watercraft only if the watercraft is transported outside of the State immediately after the sale. If the watercraft is present in the State, other than for temporary storage, for more than 30 days during the 12 months following the sale, then the purchaser is subject to use tax.

This bill removes the time restrictions, thus providing a sales and use tax exemption to watercraft or materials sold to a nonresident of Maine, regardless of the amount of time the watercraft remains in the State.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.
