LD 1328 RESOLUTION, Proposing an Amendment to the Constitution of Maine To Limit the Frequency with which an Issue May Appear on the Ballot as a Result of a Direct Initiative

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BROWNE	ONTP	

This resolution proposes amending the Constitution of Maine to provide that, if a direct initiative is submitted to the electors and it fails to receive the number of votes necessary for enactment, the same or substantially the same measure may not be proposed through a direct initiative for the following 5 years.

LD 1341 An Act To Clarify Restrictions on Accepting Campaign Contributions Laws

PUBLIC 279

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS J	OTP-AM	H-337

This bill amends the laws governing legislative ethics and the prohibition against campaign contributions from and solicitations of a lobbyist, lobbyist associate or employer during legislative session. It specifies that during the time period from January 1st to June 15th such contributions or solicitations are prohibited. This provision would be in addition to what current law provides which is a prohibition when the Legislature is in session. It also includes seed money contributions collected as part of the certification process for Maine Clean Election Act would be prohibited. Current law provides that qualifying contributions required by the Maine Clean Election Act are permitted and that is not changed by this bill.

Committee Amendment "A" (H-337)

This amendment strikes the provision in the bill that prohibits receipt and solicitation of contributions from lobbyists until June 15th. Current law provides that receipt and solicitation of contributions from lobbyists is prohibited during legislative session except during the period after the filing deadline as a candidate for election, March 15th. This amendment removes that exception so that receipt and solicitation of contributions from lobbyists would be prohibited at any time during legislative session.

Enacted Law Summary

Public Law 2007, chapter 279 specifies that receipt and solicitation of contributions from lobbyists is prohibited at any time during a legislative session.

LD 1362 An Act To Amend the Laws Governing Municipal Elections

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN	ONTP	

This bill provides that recounts for elections at the municipal level will be subject to the same process for state-level recounts. The bill provides when a deposit is not required for recounts based on vote tabulations and the total number of votes cast. Beyond those exceptions, the Secretary of State determines the amount of deposit which must be 50% of the reasonable estimate of the cost to the Secretary of State to perform the recount.
