LD 1495

An Act To Reduce Additional State Fees for Consumer-owned Electric Utility Customers

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SNOWE-MELLO	ONTP	

This bill provides that any state fee or other charge may not be imposed on a consumer-owned transmission and distribution utility or on its customers' bills unless it is approved by a 2/3 vote of all members of each House of the Legislature. The bill defines "state fee or other charge" as any fee or charge imposed by any state law or rule or by the Public Utilities Commission or any other state agency, except that it does not include state taxes under Title 36.

LD 1573

An Act To Encourage and Facilitate Regional Utility Districts

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TREAT	ONTP	

Under current law, a consumer-owned water utility may choose to make no investment in a water main extension and may require anyone requesting an extension to advance to the utility the entire cost of the extension. This bill grants that same authority to sewer districts and sanitary districts. Under current law, if a consumer-owner water utility chooses to invest consumer funds in water main extensions, the Public Utilities Commission provides clear policy and procedures governing investment in water main extensions, including investment amounts and the process for making such investments. This bill requires that a sewer district or sanitary district that chooses to invest in sewer main extensions first adopt similar investment policies for the protection of its ratepayers. The bill also prohibits a consumer-owned water utility, sewer district or sanitary district from lending district funds to any person requesting a water or sewer extension. The bill also specifies that the assets of water districts, sewer districts and sanitary districts are owned by the ratepayers of the district.
