JACOBSEN	ONTP	

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to examine, review and amend the Sex Offender Registration and Notification Act of 1999 so that it requires registration for only those sex offenses that threaten public safety. The bill would include removal from the registry of persons convicted of sex offenses that are consensual sexual acts committed between persons who are close in age. The bill also would remove certain sex offenders from the registry after 5 years if certain conditions are met.

See LD 446, "An Act to Improve the Use of Information Regarding Sex Offenders to Better Ensure Public Safety and Awareness," which was carried over.

**LD 1589**

This bill also makes it a Class C crime when a person required to register under the Sex Offender Registration and Notification Act of 1999 alters or attempts to alter that person's appearance to enter a public locker room, changing room or bathroom facility designated for use by a gender other than the gender of that person at birth.
