LD 1540 amends the Maine Civil Rights Act to address the right of free of speech and the right to petition at shopping centers that are privately owned. LD 1540 guarantees the right of free speech, including expressive activities, and the right to petition in the common area of a shopping center, as long as such expressive activities do not interfere with commerce and the free flow of pedestrian traffic. The management of a shopping mall may adopt reasonable time, place and manner regulations. LD 1540 prohibits shopping centers, if they provide space for the posting of announcements, public service messages, proclamations, pamphlets and other such material, from prohibiting posting based on the content except where the prohibition is otherwise consistent with constitutional principles relating to free speech.

LD 1540 is carried over pursuant to Joint Order, HP 1369.
