This bill establishes a definition of importer as a person other than a licensed manufacturer wherever located who imports spirits into the state for sale or use. The bill requires spirits manufacturers and importers to be licensed under a new license fee structure. This license fee structure sets a fee for in-state spirits manufacturers at \$1,000 annually. A separate graduated fee structure is established for out-of-state spirits manufacturers based on annual in-state sales in gallons during the immediately preceding calendar year:

- \$50,000 for 10,000 gallons or greater;
- \$25,000 for greater than 5,000 but less than 10,000 gallons;
- \$5,000 for greater than 1,000 but less than 5,000 gallons; and
- \$1,000 for less than \$1,000.

The bill also establishes an annual license fee for importers of \$5,000 and an additional fee for out-of-state manufacturers with no prior Maine sales at \$10,000.

The bill increases the certificate of approval license fee for malt liquor only from \$600 to \$10,000 per year and for wine only from \$600 to \$5,000 per year. The bill increases the annual license fee for sales representatives from \$50 to \$2500. Wholesale licenses for malt liquor and wine would be increased from \$600 to \$10,000 annually. The effective date for fee increases would be January 1, 2008.

With regard to collection of these increased fees, as well as other fees collected in current law under chapter 51 (special warehouse fee, low alcohol spirits taxes), these fees would be deposited into the General Fund and then an equal amount appropriated to the Office of Substance Abuse. The bill requires that such funds would be required to use for substance abuse prevention, case treatment, management, monitoring, enforcement programs and drug courts.

The bill provides that the bureau may adopt routine technical rules to administer the chapter.
