CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SHERMAN		

LD 1684 repeals the Maine Revised Statutes, Title 17, section 2805, which provides protection from nuisance suits for farm operations that use best management practices. It revises the repealed provisions for inclusion in Title 7 under a chapter proposed for enactment as the Agriculture Protection Act in Title 7. The bill establishes incentives to conserve and protect agricultural land and enterprises and to further encourage agricultural development. The bill also allows the State to create agriculture protection areas to foster and strengthen agriculture development.

This bill was carried over to any special or regular session of the 123rd Legislature by Joint Order, H.P. 1369.
