This bill implements the recommendations of the Department of Corrections made as directed by Resolve 2005, chapter 132. The bill proposes to do the following:

1. Create new sentencing alternative of an indeterminate sentence for repeat sexual assault offenders and sexually violent offenders with a minimum mandatory sentence of at least 20 years;
2. Create a 5-member forensic board appointed by the Governor; the board's duties include: holding hearings, issuing subpoenas, compelling attendance of witnesses, compelling production of documents, administering oaths and taking testimony; and
3. Specify that a person who served a minimum term of years of a sentence is eligible for review by board; upon receipt of application for review, the Department of Corrections must submit a report to board and a hearing would be held to determine if continued imprisonment is appropriate or if conditional release is. If a person is released and violates a condition of that release, the person is arrested and another hearing is held.
