the Augusta Water District, the Augusta Sanitary District and the sewer functions of the Hallowell Water District to create the Greater Augusta Utility District. If approved by the voters of the City of Augusta but not the voters of the City of Hallowell, it provides for the merger of the Augusta Water District and the Augusta Sanitary District to create the Greater Augusta Utility District.

LD 1755 An Act To Promote New Electrical Generation in Maine INDEF PP Sponsor(s) Committee Report Amendments Adopted STRIMLING STRIMLING Amendments Adopted

This bill is a concept draft pursuant to Joint Rule 208. This bill would authorize Maine Revenue Services to impose a windfall profits tax on capacity payments made to certain power plants in Maine. The tax would apply to capacity payments to generators during the years 2007, 2008, 2009 and 2010 for capacity payments for sales of energy and capacity transmitted through a transmission and distribution utility. Payments used exclusively in the tax year for the creation of new generation assets in Maine will not be subject to the tax. New generation is generation constructed after January 1, 2007 and before December 31, 2010. This bill was indefinitely postponed prior to being referenced to a committee.

LD 1767 An Act To Encourage Community Network Development

ONTP

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
PERRY J	ONTP	

This bill establishes the Education and Municipal Technology Advisory Committee to provide oversight and advice to community networks and to aid in the development and maintenance of community networks by municipalities in partnership with local schools. Under the bill, a community network is defined as a computer system within a municipality that provides free or low-cost access to information and services through a centrally managed network or intranet or Internet connection or any combination of network and connections. The bill makes a one-time appropriation for the purpose of establishing a grant program from a fund to be administered by the advisory committee to aid in the development of community networks and an ongoing appropriation for expenses of the advisory committee members.

The Joint Standing Committee on Utilities and Energy, by letter dated 6/14/07, requested that the ConnectME Authority take steps to encourage the development of community networks and report back to the committee by January 15, 2008.

LD 1836 An Act To Save Money for Maine Energy Consumers through Enhanced Energy Efficiency

Sponsor(s)	Committee Report	Amendments Adopted
BARTLETT	ONTP	

This bill directs the Public Utilities Commission to establish the Energy Efficiency Stakeholder Board to advise and assist the commission, other agencies, utilities and publicly directed energy efficiency program administrators in the design, implementation and review of a comprehensive energy savings plan to implement cost-effective energy conservation programs and market transformation initiatives. The bill sets an assessment rate on transmission and distribution utilities to fund conservation programs and specifies the method of
