## *Joint Standing Committee on Taxation*

1. Part A requires approval of 2/3 of each House of the Legislature to alter the statutory tax rates for income tax, motor vehicle excise tax or sales tax except when adequate funds have not been appropriated for debt payment;
2. Part B authorizes municipalities to opt out of the unreimbursed portion of the general homestead exemption by holding a municipal referendum subject to procedural conditions enacted by the Legislature and allows them to reverse that decision by a subsequent referendum; and
3. Part C authorizes municipalities to adopt a local sales tax subject to guidelines and procedures enacted by the Legislature. Revenues must be used to reduce property taxes.

### **Committee Amendment "B" (S-272)**

This amendment is the minority report of the Joint Standing Committee on Taxation. It removes those parts of the constitutional resolution that required a 2/3 vote to alter certain taxes and that authorized a local sales tax. The amendment retains the authority of municipalities to opt out of the unreimbursed portion of the general homestead exemption by holding a municipal referendum subject to procedural conditions enacted by the Legislature and to reverse that decision by a subsequent referendum.
