FIRST REGULAR SESSION

## LEGISLATIVE DIGEST OF BILL SUMMARIES AND ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* summarizes all bills and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 123<sup>rd</sup> Maine Legislature, which was in session from December 6, 2006 to June 21, 2007.

The *Digest* is arranged alphabetically by committee, and within each committee by LD number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. The appendices include a summary of relevant session statistics, an index of all bills by LD number and an index of enacted laws by law type and chapter number.

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

**An Act To Regulate Outdoor Wood Boilers**

**PUBLIC 442  
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BERRY BENOIT	OTP-AM	H-494

This bill defines "outdoor wood boiler." It permits the Commissioner of Environmental Protection to adopt a moratorium on the sale of high-emissions outdoor wood boilers until the department establishes rules regulating the sale, installation and use of outdoor wood boilers and directs the department to review the rules every 3 years and revise them if necessary. The bill also restricts the use of outdoor wood boilers manufactured prior to October 1, 2007 unless they meet the standards and rules adopted by the department. It directs the Department of Health and Human Services, Maine Center for Disease Control and Prevention in consultation with the Department of Environmental Protection to develop guidelines to determine whether an outdoor wood boiler is causing a public health nuisance.

**Committee Amendment "A" (H-494)**

This amendment changes the title and adds an emergency preamble and clause to the bill. It removes from the bill the moratorium provisions with regard to wood boilers. It sets emission standards for the sale of outdoor wood boilers and prohibits the operation of outdoor wood boilers in a manner that creates a nuisance condition as defined in rules of the Department of Environmental Protection. It directs the Department of Environmental Protection to adopt emergency major substantive rules for the regulation of outdoor wood boilers including provisions relating to siting, operation and labeling requirements, stack heights, dealer and manufacturer reporting, public notification of emission standards and operation and siting requirements, code enforcement officer training, nuisance conditions and existing inventory issues. The rules must provide for enforcement of the rules by the Department of Environmental Protection. The amendment directs the Department of Environmental Protection to report to the joint standing committee of the Legislature having jurisdiction over natural resources matters on achievable emission standards for outdoor wood boilers and on the status of the resolution of complaints regarding outdoor wood boilers.

**Enacted Law Summary**

Public Law 2007, chapter 442 sets emission standards for the sale of outdoor wood boilers and prohibits the operation of outdoor wood boilers in a manner that creates a nuisance condition as defined in rules of the Department of Environmental Protection. It directs the Department of Environmental Protection to adopt emergency major substantive rules for the regulation of outdoor wood boilers including provisions relating to siting, operation and labeling requirements, stack heights, dealer and manufacturer reporting, public notification of emission standards and operation and siting requirements, code enforcement officer training, nuisance conditions and existing inventory issues. The rules must provide for enforcement of the rules by the Department of Environmental Protection. It directs the Department of Environmental Protection to report to the joint standing committee of the Legislature having jurisdiction over natural resources matters on achievable emission standards for outdoor wood boilers and on the status of the resolution of complaints regarding outdoor wood boilers.

Public Law 2007, chapter 442 was enacted as emergency measure effective June 27, 2007.
