DOW	ONTP	

LD 1867 amends Private & Special Law 1911, chapter 227, which created the Bayville Village Corporation, by repealing the provision that required 60% of property taxes raised by the Town of Boothbay Harbor on property located in Bayville Village Corporation to be annually paid over to the corporation for use in providing municipal-type services to the residents within the territory of the Bayville Village Corporation. It clarifies that the residents of Bayville Village Corporation are considered residents of the Town of Boothbay Harbor in all respects and that they are entitled to receive the same municipal services delivered in the same manner as any other residents of the town.

LD 1876 Resolve, Regarding the Maine State Cultural Building in Augusta **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
		H-400
		H-466 ADAMS

LD 1876 amends Resolve 2005, chapter 168, which established a task force to develop a plan for the Maine State Cultural Building in Augusta. It adds to the existing membership of the task force representatives of the Department of Transportation and the judicial branch. It requires the task force to submit a 2nd report by November 15, 2007 with any recommendations regarding the cultural building. It also provides an appropriation of \$100,000 to contract with an architectural consultant and give the Joint Standing Committee on State and Local Government authority to submit legislation to the Second Regular Session of the 123rd Legislature.

Committee Amendment "A" (H-400)

This amendment changes the membership of the task force to develop a plan for the Maine State Cultural Building in Augusta by adding a representative of the Department of Defense, Veterans and Emergency Management, office of the Adjutant General and from the Friends of the Blaine House. It changes the report date to the joint standing committee of the Legislature having jurisdiction over state and local government matters to January 15, 2009. The joint standing committee is authorized to submit legislation to the First Regular Session of the 124th Legislature. It requires the task force to raise the \$100,000 necessary for architectural consultant services from private funds and requires the Department of Administrative and

Joint Standing Committee on State and Local Government

Financial Services, Bureau of General Services to administer the funds. If sufficient money is not raised privately by January 15, 2008, the Legislature is authorized to make up the difference. The consultant services must be contracted according to purchasing standards established for the Department of Administrative and Financial Services, Bureau of General Services.

House Amendment "A" (H-466)

This amendment specifies that the task force may apply for New Century Community Program funds to provide funding for the task force and the architectural consultant; any funds received from the New Century Community Program are eligible to be matched by federal, state or local funds.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

LD 1878 An Act To Generate Savings by Changing Public Notice Requirements

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HAYES SCHNEIDER		

LD 1878 phases out, over a one-year period, the requirement that State Government, including the executive branch, departments, independent agencies, the Legislature and the judicial branch, and the Maine Land Use Regulation Commission, or LURC, publish legal or public notices in a newspaper. Instead, the Department of Administrative and Financial Services, for State Government, and LURC, for the unorganized territory, are required to establish and maintain a publicly accessible Internet site on which to post all legal and public notices. In addition, the department and LURC are required to establish and maintain an in-state toll-free telephone number that allows a person in Maine to call and receive, by mail, any notice posted on the respective Internet sites.

For the first 6 months, from July 1, 2007 to December 31, 2007, every notice published in a newspaper by an entity of State Government or LURC is required to include an entity of statement with the printing of each public notice that notices will not be printed in newspapers after December 31, 2007 and the address of the Internet site and telephone number of the government entity or LURC, as the case may be. For the next 6 months, from January 1, 2008 to June 30, 2008, instead of publishing a notice, the government entity and LURC are only required to publish a statement that notices are no longer published in the newspaper and the address of the Internet site and telephone number where such notices may not be obtained. Finally, beginning July 1, 2008, no notices will be published in newspapers by a government entity or LURC.

Municipalities are allowed to publish legal notices in a newspaper medium distributed as 3rd-class mail if the municipal officers adopt a publication policy. The policy must contain 5 requirements: the newspaper of general circulation must have a subscription rate of less than 30% of the residents in the municipality; all households in the municipality must receive the alternative newspaper; the alternative newspaper must cost less than the newspaper of general circulation; the municipality must retain a record of all notices published in the alternative newspaper; and the publisher of the alternative newspaper must have a system of archiving past editions.

The Department of Administrative and Financial Services is required to submit legislation by December 15, 2007 to the Joint Standing Committee on State and Local Government that removes any statutory requirement that a government entity publish notices in newspapers.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.
