LD 1904 makes technical corrections in the Laws of Maine.

Committee Amendment "A" (H-630)

Joint Standing Committee on Judiciary

This amendment establishes the sections in the bill as Part A. This amendment strikes from the bill sections 13, 29, 58, 59, 69, 76 and 79 because the errors are addressed by other legislation. Section 52 is amended to incorporate a recently enacted Public Law chapter. Section 75 is amended to correct the application section for corrections to the income tax statutes.

This amendment adds a Part B that makes technical corrections.

This amendment adds a Part C that does the following and contains provisions that are or may be considered substantive.

Part C, section 1 repeals the subchapter that established the Court Unification Oversight Committee, because the committee has completed its work. Part C, section 2 includes an amendment to allow the Director of the Bureau of General Services within the Department of Administrative and Financial Services to waive the competitive bidding process in emergency circumstances. The same changes were made in Public Law 2007, chapter 9, which was not an emergency measure.

Public Law 2007, chapter 240, Part LLL directs the Commissioner of Professional and Financial Regulation to annually conduct a survey of all the fees collected by the Department of Professional and Financial Regulation and provide a written report identifying any recommended fee changes to the State Budget Officer and three joint standing committees of the Legislature. The language was placed in Title 32, which includes laws regulating professions and occupations, but not the other duties of the department. Part C, section 8 repeals the Title 32 provision enacted in Public Law 2007, chapter 240, Part LLL. Part C, section 5 enacts the language in Title 10 in the chapter that provides for the organization of the department and the duties of the commissioner. Part C, section 6 includes an exception from the prohibition of firearms in courthouse for a courier or security service approved by the state judicial marshal. Part C, section 7 clarifies that compliance and satisfactory participation in a plan or program are contemporaneous requirements for participation in cocurricular activities for a child with a disability.

Part D contains technical cross-reference corrections in the Maine Insurance Code.

House Amendment "A" (H-631)

LD 1851 created the Maine Energy Conservation Board, including three public members. The unallocated language provided for staggered terms: one's initial term was for one year, another's initial term was for two years and the third initial term was for three years. The committee amendment added an additional public member, but did not amend the unallocated language to address the length of the initial term. This amendment amends the unallocated language in Public Law 2007, chapter 317 to provide that the initial terms for two of the public members are for three years.

Enacted Law Summary

Public Law 2007, chapter 466 was enacted as an emergency measure effective June 29, 2007.
