LD 1858 An Act To Protect Inland Water Access

CARRIED OVER

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JACKSON BRYANT B		

LD 1858 was jointly referred to the Committee on Agriculture, Conservation and Forestry and the Committee on Inland Fisheries and Wildlife and requires a state agency to hold a public hearing on a state agency proposal to restrict, expand or change in any way access to inland waters. The public hearing must be held near the location of the proposed restriction, expansion or change.

This bill was carried over to any special or regular session of the 123rd Legislature by joint order, H.P. 1369.

LD 1912 Resolve, To Develop the Outdoor Licensed Network

RESOLVE 83

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRYANT B	OTP-AM MAJ ONTP MIN	S-186

LD 1912 increases registration fees for ATV registrations from \$33 to \$70 for a resident and from \$68 to \$105 for a nonresident. If a person documents at the time of registration current membership in an eligible ATV club that is in good standing with the Secretary of State and recognized by the Department of Conservation as maintaining ATV trails for the public, the fee is reduced to \$30 for a resident and \$65 for a nonresident. It defines "eligible ATV club" to mean a nonprofit organization located in the State established and maintained primarily for purposes involving ATVs and that charges no more than \$20 for an individual membership and \$25 for a family membership. LD 1912 directs the Department of Conservation, in conjunction with the Department of Inland Fisheries and Wildlife, to report to the Joint Standing Committee on Inland Fisheries and Wildlife by January 15, 2009 their findings and recommendations regarding the implementation and enforcement of the reduced registration fees. It has an effective date of June 30, 2008.

Committee Amendment "A" (S-186)

This committee amendment replaces the bill and changes the title to "Resolve, to Develop the Outdoor Licensed Network." It directs the Department of Inland Fisheries and Wildlife in consultation with the Department of Conservation and the Joint Standing Committee on Inland Fisheries and Wildlife to develop a plan to create and implement the Outdoor Licensed Network to acquire, preserve and enhance access to land and inland waters of the State, to ensure coordinated planning for the future use and preservation of access for activities licensed by the department and to provide an effective grassroots system to identify, secure and manage access on an ongoing basis. It also provides that the plan must include provisions to divide the State into sections and districts designed to encompass fish and game clubs or similar entities and that those entities must be utilized for the purpose of identifying, monitoring and prioritizing information on land within each district that may be available for acquisition or other access and to deal with landowner issues. This committee amendment provides that the plan must establish the Network Advisory Council to aid fish and game clubs engaged in activities regarding the network and requires the Department of Inland Fisheries and Wildlife to
