LD 2143 An Act To Require Retailers To Disclose the State's Implied Warranty Laws to Customers

DIED BETWEEN HOUSES

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
EATON	ONTP MAJ OTP-AM MIN	

This bill requires sellers of consumer goods who offer service contracts for sale to instruct their employees who deal with buyers of the requirements under the State's implied warranty laws. It also requires the Attorney General to publish a brochure on the State's implied warranty laws and to provide copies at no cost to sellers of consumer goods.

Committee Amendment "A" (H-823)

This amendment is the minority report of the committee. It replaces the requirement of a seller's informing its employees of the State's implied warranty laws with the requirement that, beginning November 1, 2008, a seller of consumer goods who also offers for sale service contracts, with the exception of new and used motor vehicles, post a notice for buyers of consumer goods that summarizes in plain language the consumer's implied warranty rights. It requires the notice to be posted in a prominent location where the consumer goods are sold, in boldface type and in nontechnical language that is understandable by the general public.

The amendment also requires the Attorney General to publish a brochure on the State's implied warranty laws by September 1, 2008 that summarizes in plain language the consumer's implied warranty rights under the State's implied warranty laws, as well as a model notice for sellers of consumer goods to post where consumer goods are sold, and provide both at no cost to sellers of consumer goods in the State.
