## Joint Standing Committee on Transportation

This bill provides that a vehicle transporting unprocessed agricultural products or forest products that exceeds the axle weight limits and axle weight tolerance restrictions imposed under Maine law is not subject to a fine for a violation of those limits and restrictions unless the vehicle exceeds the maximum gross vehicle weight limits, including tolerances.

### Committee Amendment "A" (H-871)

This amendment, which is one of 2 minority reports, replaces the bill. The amendment provides that any vehicle that exceeds the axle weight limits and axle weight tolerance restrictions imposed under Maine law is not subject to a fine for a violation of those limits and restrictions unless the vehicle exceeds the maximum gross vehicle weight limits, including tolerances.

Committee Amendment "A" to LD 2209 was not adopted.

### Committee Amendment "B" (H-872)

This amendment incorporates a fiscal note.

### House Amendment "A" (H-888)

This amendment strikes the emergency preamble and emergency clause from the bill. The amendment also provides that the axle weight limits and axle weight tolerances exemption in the bill does not apply on the Interstate Highway System, including that portion designated as the Maine Turnpike.

House Amendment "A" to Committee Amendment "B" was enacted in the House, but died on the Highway Table in the Senate on adjournment.
