## *Joint Standing Committee on Education and Cultural Affairs*

State Board of Education rules but only if certain changes are made. It requires a revision to the definition of "One Campus" and to elements of Section 15 that outline the criteria with which projects are rated. It requires that each of the 4 educational components, the regional high school, the career and technical high school, the higher education center and the industry training center, have a physical presence on the campus. It precludes any one component from offering only distance learning opportunities on campus. It declares the emergency rule authorized and adopted under Resolve 2007, chapter 223 to be invalid.

Resolve 2009, chapter 142 was finally passed as an emergency measure effective June 22, 2009.
