<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TRAHAN	OTP-AM	S-201

LD 225 is a concept draft pursuant to Joint Rule 208. Committee Amendment "A" (S-201)

This amendment replaces the resolution and directs the Department of Inland Fisheries and Wildlife to consult with hunting and fishing groups, environmental and conservation groups and other interested parties to identify long-term funding sources for the department other than the revenues currently realized by the department and to develop language and a strategy for amending the Constitution of Maine to protect funding for those programs administered by the department that are not related to hunting, fishing or trapping. It also requires the Department of Inland Fisheries and Wildlife to report its findings and recommendations to the Joint Standing Committee on Inland Fisheries and Wildlife by January 5, 2010 and authorizes that committee to submit legislation to the Second Regular Session of the 124th Legislature regarding matters contained in the report.

LD 241 is a concept draft pursuant to Joint Rule 208. This bill proposes to establish an additional open hunting season for bear to be held in the spring.

**LD 244 Resolve, To Ensure Transparency in Funding Certain Programs within
the Department of Inland Fisheries and Wildlife**

RESOLVE 38

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TRAHAN	OTP-AM	S-65

LD 244 directs the Commissioner of Inland Fisheries and Wildlife to identify programs and functions within the Department of Inland Fisheries and Wildlife that are not directly related to an activity that requires a license, permit or registration issued by the department and to develop a plan to create a new division within the department to house those programs and functions. It also provides that the commissioner shall develop draft legislation to implement the plan and to specify that funding for the new division must come from General Fund revenues not subject to the Constitution of Maine, Article IX, Section 22. The plan and draft legislation must be submitted to the Joint Standing Committee on Inland Fisheries and Wildlife no later than 20 days from the effective date of this resolve.

Committee Amendment "A" (S-65)

This amendment replaces the resolve and requires the Commissioner of Inland Fisheries and Wildlife to develop a methodology to articulate how Department of Inland Fisheries and Wildlife activities have benefited the general public and to determine what the general public expects from the department. The methodology must also allow the department to readily determine any new financial requirements or mandates on the department that require expenditures by the department that are not funded by the General Fund other than money subject to the Constitution of Maine, Article IX, Section 22 or by other special revenues or federal funds. It also requires the Commissioner of Inland Fisheries and Wildlife to report the methodology to the Joint Standing Committee on Inland Fisheries and Wildlife by January 5, 2010.
