**LD 219 An Act To Require Maine Clean Election Act Candidates To Use Maine Vendors**

**ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DIAMOND	ONTP	

This bill requires a Maine Clean Election Act candidate to use in-state vendors when purchasing campaign-related goods and services whenever feasible.

**LD 235 An Act To Provide Fiscal Information for Citizen Initiatives**

**PUBLIC 341**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAIN MILLS P	OTP-AM	H-435

This bill requires the Secretary of State to request assistance from the Office of Fiscal and Program Review to determine whether a direct initiative will have a fiscal impact. If the Office of Fiscal and Program Review determines that the direct initiative has a cost other than the cost associated with conducting a referendum on the direct initiative, the person who submitted the direct initiative must indicate in a subsequent draft of the direct initiative submitted to the Secretary of State how the cost of the direct initiative will be paid. The bill also requires the Secretary of State to include in the ballot question information on the cost of the direct initiative and how that cost will be paid. The bill also indicates that if a means of paying for or accounting for the cost is not included in the legislation, then the direct initiative may not be enacted into law until it is funded through the normal legislative process.

**Committee Amendment "A" (H-435)**

This amendment replaces the bill and changes the title. The amendment changes the date by which fiscal impact statements must be completed for direct initiatives of legislation so that the statements may be included on the petition to be circulated for that direct initiative. It requires initiative petitions to include a space at the top of each page for the name of the circulator and requires the fiscal impact statement to be printed on initiative petitions and election ballots and to be posted conspicuously in voting places and in voting booths.

**Enacted Law Summary**

Public Law 2009, chapter 341 changes the date by which fiscal impact statements must be completed for direct initiatives of legislation so that the statements may be included on the petition to be circulated for that direct initiative. It requires initiative petitions to include a space at the top of each page for the name of the circulator and requires the fiscal impact statement to be printed on initiative petitions and election ballots and to be posted conspicuously in voting places and in voting booths.
