An Act To Allow Maine Residents To Purchase Health Insurance from Out-of-state Insurers

**ACCEPTED ONTP
REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKANE MARRACHE	ONTP MAJ OTP-AM MIN	

This bill permits out-of-state health insurers, which are referred to as regional insurers in the bill, to offer their individual and group health plans for sale in this State if certain requirements of Maine law are met, including minimum capital and surplus and reserve requirements, disclosure and reporting requirements and grievance procedures. The bill defines regional insurers as those insurers authorized to transact individual or group health insurance in one of the following states: Connecticut, Massachusetts, New Hampshire, Rhode Island and Vermont. It also permits Maine health insurers to offer individual health plans of out-of-state parent or subsidiary health insurers if similar requirements are met. If out-of-state health plans are offered for sale in this State, the bill requires that prospective enrollees be provided adequate disclosure of how the plans differ from Maine health plans in a format approved by the Superintendent of Insurance. The bill takes effect January 1, 2010.

Committee Amendment "A" (H-169)

This amendment is the minority report of the committee and does the following.

1. It removes language from the bill that would have authorized out-of-state health insurers to offer group health plans for sale in the State, and retains language that authorizes out-of-state health insurers to offer individual health plans for sale in the State.
2. It clarifies that the out-of-state insurer must respond to any consumer complaints raised to the Department of Professional and Financial Regulation, Bureau of Insurance.
3. It clarifies that the term "health insurance" does not include accidental injury, specified disease, hospital indemnity, dental, vision, disability income, long-term care, Medicare supplement or other limited benefit health insurance.
4. It adds an appropriations and allocations section.

Committee Amendment "A" was not adopted.
