Joint Standing Committee on Inland Fisheries and Wildlife

LD 287 requires the Commissioner of Inland Fisheries and Wildlife to contract with a professional polling firm for an annual survey measuring the interests and opinions of anglers who fish in this State, both residents and nonresidents, including, but not limited to, their level of satisfaction with their fishing experiences.

LD 288 An Act To Expand Super Pack License Opportunities

PUBLIC 132

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HANLEY JACKSON	OTP-AM	H-102

LD 288 provides that a super pack licensee is eligible for moose lottery bonus points and, unlike other license holders, accumulated bonus points are not eliminated if that person fails to purchase a new lottery chance the following year. It also expands the number and type of deer a super pack license holder is eligible to harvest.

Committee Amendment "A" (H-102)

This amendment removes the sections of the bill dealing with the moose lottery and the number of deer that can be taken under a super pack license. It retains the provision that reduces the number of antlerless deer permits that must be available in a wildlife management district from 5,000 permits to 3,500 permits before a super pack license holder is eligible to obtain an antlerless deer permit.

Enacted Law Summary

Public Law 2009, chapter 132 reduces the number of antlerless deer permits that must be available in a wildlife management district from 5,000 permits to 3,500 permits before a super pack license holder is eligible to obtain an antlerless deer permit.

LD 303 An Act To Amend the Laws Governing Deer Hunting and To Extend the Coyote Hunting Season

PUBLIC 134

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TRAHAN	OTP-AM	S-88

Joint Standing Committee on Inland Fisheries and Wildlife

LD 303 allows the Commissioner of Inland Fisheries and Wildlife to set December 20th as the ending date for the open season for deer. Current law allows the commissioner to set December 15th as the ending date. LD 303 authorizes nonresidents who own 25 or more acres of land in this State and keep that land open to hunting to hunt deer on the Saturday preceding the first day of open season on deer, which is currently reserved for hunting by residents only. The bill expands the open season for hunting coyotes at night from December 20th to August 15th. Current law provides a season that runs from January 1st to June 1st.

Committee Amendment "A" (S-88)

This amendment removes provisions from the bill that would allow certain nonresidents to hunt deer on the day reserved for resident hunters and that would extend the night hunting season for coyotes.

Enacted Law Summary

Public Law 2009, chapter 134 authorizes the Commissioner of Inland Fisheries and Wildlife to set December 20th as the ending date for the open hunting season for deer. Current law allows the commissioner to set December 15th as the ending date.

LD 308 An Act To Clarify Standards by Which All-terrain Vehicles May Be Stopped

PUBLIC 389

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARTIN J L BRYANT B	OTP-AM MAJ OTP-AM MIN	H-354

LD 308 requires a game warden to have a reasonable and articulable suspicion to believe that a violation of law has taken place or is taking place before stopping an all-terrain vehicle.

Committee Amendment "A" (H-354)

This amendment clarifies that the reasonable and articulable suspicion standard for all-terrain vehicle stops applies to all law enforcement officers and not just game wardens.

Committee Amendment "B" (H-355)

This amendment, which is the minority report of the committee, adds an emergency preamble and emergency clause and clarifies that the reasonable and articulable suspicion standard for all-terrain vehicle stops applies to all law enforcement officers and not just game wardens. It repeals that standard on February 1, 2010. It also directs the Commissioner of Inland Fisheries and Wildlife to report on how the new standard affected the department's ability to enforce all-terrain vehicle laws and to interact with all-terrain vehicle operators in the field to the Joint Standing Committee on Inland Fisheries and Wildlife by January 5, 2010 and gives that committee the authority to submit legislation to the Second Regular Session of the 124th Legislature regarding that report.

Enacted Law Summary

Public Law 2009, chapter 389 requires a law enforcement officer to have a reasonable and articulable suspicion to believe that a violation of law has taken place or is taking place before stopping an all-terrain vehicle.
