**Committee Amendment "A" (S-258)**

This amendment replaces the bill while preserving its intent. It establishes the Maine Veterinary Medicine Loan Program. The program would establish 2 forgivable loans per year for veterinary students through the Finance Authority of Maine. The program would promote veterinarian practice for livestock in areas that are insufficiently served. The amendment deletes references to veterinarian positions in the Access to Medical Education Program. The amendment also adds an appropriations and allocations section.

This bill was carried over to any special or regular session of the 124th Legislature by joint order, H.P. 1053.
