LD 361 An Act To Provide for a Certificate of Birth Resulting in Stillbirth

**PUBLIC 311
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SULLIVAN	OTP-AM	S-275

This bill creates a certificate of birth for a stillborn child. It requires that the certificate be prepared and filed in accordance with the requirements for certificates filed to register live births and that the certificate be offered to the parents, who may choose to include a name for the stillborn child on the certificate. It requires the certificate to be filed within 3 days of the stillbirth and prior to cremation or removal of the stillborn child from the place of the stillbirth. If a certificate has not been registered within a year of the stillbirth, it still may be filed but must be marked "Delayed Registration of Stillbirth" and registered in accordance with the requirements for the delayed registration of a certificate for live birth.

Committee Amendment "A" (S-275)

This amendment replaces the bill. It adds an emergency preamble and emergency clause and provides for the issuance of a certificate of birth resulting in stillbirth, at the request of a parent, in the event of an unintentional intrauterine death of a fetus of 20 or more weeks of gestation.

Enacted Law Summary

Public Law 2009, chapter 311 provides for the issuance of a certificate of birth resulting in stillbirth, at the request of a parent, in the event of an unintentional intrauterine death of a fetus of 20 or more weeks of gestation.

Public Law 2009, chapter 311 was enacted as an emergency measure effective June 9, 2009.

LD 362 An Act To Support New Mothers Who Are in Substance Abuse Treatment Programs

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BARTLETT	ONTP	

This bill amends the provisions of child protection law that require the Department of Health and Human Services to receive reports of infants who may be affected by illegal substance abuse or suffering from withdrawal symptoms from prenatal drug exposure. The bill establishes an exception for infants born to mothers who are actively enrolled in licensed substance abuse programs and, consistent with this exception, limits the department's duties to infants who are reported under the law.
