Enacted Law Summary

Resolve 2009, chapter 40 approves portions of MaineCare Benefits Manual, Chapter III, Section 97, Private Non-Medical Institution Services, a major substantive rule of the Department of Health and Human Services, Office of MaineCare Services, Division of Policy and Performance. The proposed rule defines a PNMI leave day and does not reimburse the PNMI for leave days. It also repeals the 85 percent occupancy rate for substance abuse, mental health and children's PNMI's except that for non-case mixed medical and remedial facilities it sets the occupancy rate at 90 percent for facilities over six beds and 85 percent for facilities with six or fewer beds.

The Health and Human Services Committee requested from the Department of Health and Human Services a report in early January on bed-hold procedures in other states, involuntary transfer options for new placements.

Resolve 2009, chapter 40 was passed as an emergency measure effective May 14, 2009.
