### Joint Standing Committee on Inland Fisheries and Wildlife

LD 714 requires the Department of Inland Fisheries and Wildlife to publish notification of any fish stocking and to hold a hearing if the department receives a sufficient number of requests for a hearing.

#### Committee Amendment "A" (H-246)

This amendment replaces the bill and provides that when the Department of Inland Fisheries and Wildlife, Bureau of Resource Management plans to stock an inland water for the first time or to stock a new fish species or permanently stop stocking a fish species that is currently being stocked, the department shall notify the public through its website and by e-mail and allow for public comment on the stocking plan prior to implementing that plan. This requirement does not apply to private ponds or fishing programs for children.

#### **Enacted Law Summary**

Public Law 2009, chapter 216 provides that when the Department of Inland Fisheries and Wildlife, Bureau of Resource Management plans to stock an inland water for the first time or to stock a new fish species or permanently stop stocking a fish species that is currently being stocked, the department shall notify the public through its website and by e-mail and allow for public comment on the stocking plan prior to implementing that plan. This requirement does not apply to private ponds or fishing programs for children.
