#### **Committee Amendment "A" (H-283)**

The amendment applies to all individual and group policies issued or renewed on or after January 1, 2010. The amendment also adds an appropriations and allocations section.

Committee Amendment "A" was not adopted.

### **An Act To Protect the Privacy of Consumer Financial Information**

**ACCEPTED ONTP  
REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LEGG BARTLETT	ONTP MAJ OTP-AM MIN	

Currently, state law conforms to the opt-out provisions of the federal Gramm-Leach-Bliley Act regarding the disclosure of nonpublic personal information. This bill puts in place an opt-in requirement so that financial services providers, including banks, credit unions, securities firms and mortgage companies, must have permission from individuals before disclosing nonpublic personal information to nonaffiliated 3rd parties. The bill is contingent on approval by voters at a statewide referendum.

#### **Committee Amendment "A" (H-144)**

This amendment is the minority report of the committee. The amendment clarifies the enforcement authority of regulators within the Department of Professional and Financial Regulation and the Attorney General. The amendment removes certain provisions of the bill to preserve the privacy protections already available to consumers in the Maine Insurance Information and Privacy Protection Act and makes technical changes to conform the language to current law. The amendment also removes the provision in the bill making it contingent upon approval by voters at a statewide referendum.
