LD 938 An Act To Allocate Redemption Centers Based on Population

**ACCEPTED ONTP
REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CUSHING	ONTP MAJ OTP-AM MIN	

This bill amends the licensing of local redemption centers by requiring the Department of Agriculture, Food and Rural Resources to consider the proximity of a proposed redemption center to existing redemption centers. The bill also limits the number of redemption centers that may be licensed in a municipality based on the population of the municipality. The population limits do not apply to existing redemption centers, certain licensed food establishments and reverse vending machines located in a redemption center and may be waived if the applicant shows a compelling public need for another redemption center.

The bill also provides a procedure for an applicant denied a redemption center license to appeal that denial.

This is the minority report of the committee. It adds an appropriations and allocations section to the bill.
