SMITH D	ONTP MAJ OTP-AM MIN	

This bill establishes the Maine Science Advisory Board.

Committee Amendment "A" (S-237)

The amendment, which is the minority report of the committee, replaces the bill. It requires the Maine Innovation Economy Advisory Board to render scientific assessment on questions of science posed by the Governor or any joint standing committee of the Legislature with a question related to proposed legislation rather than establishing the Maine Science Advisory Board. The Maine Innovation Economy Advisory Board would review and summarize scientific studies related to questions, may include outside experts and must include a public comment period before issuing a finding. A member with a conflict of interest in a matter before the advisory board must be recused from any discussion of the subject.

Senate Amendment "A" (S-254)

This amendment requires the Town of Old Orchard Beach to adopt a municipal zoning ordinance relating to marinas that is at least as strict as that adopted in the City of Saco at the time of the passage of this legislation before the boundary change can go into effect. The amendment also authorizes the City of Saco and the Town of Old Orchard Beach to convene a working group to examine regulatory jurisdictions, including zoning, parameters for future development in Saco Bay, uniform environmental regulations for Saco Bay and the feasibility of establishing an oversight group made up of residents from communities bordering Saco Bay. The working group is authorized to submit a report to the Joint Standing Committee on State and Local Government.

This bill is a resolution proposing to amend the Constitution of Maine to increase the amount of time provided to officials of cities, towns and plantations to certify that signatures on petitions for a people's veto and on petitions for a direct initiative appear on voting lists for those cities, towns and plantations.

Committee Amendment "A" (H-176)

The constitutional resolution proposed to amend the Constitution of Maine to increase the amount of time provided to officials of cities, towns and plantations to certify that signatures on petitions for a direct initiative or people's veto appear on voting lists for those cities, towns and plantations. This amendment removes the increase with respect to people's vetoes and clarifies the petition process generally, including clarifying that "day" or "days" means any day that is not a Saturday, Sunday or legal holiday. It adds 10 days to the period of time before the written petitions for a direct initiative are due to the Secretary of State's office so that citizens have the same amount of time to collect signatures as they do currently.
